

DEVELOPING PERU'S COPPER POTENTIAL

ABOUT PANORO

Panoro Minerals is a uniquely positioned Peru and copper-focused exploration company. The company is advancing a significant project portfolio in the key Andahuaylas-Yauri belt in south central Peru, including its advanced stage Cotabambas Cu/Au/Ag and Antilla Cu/Mo Projects.

Panoro is well financed to grow and enhance its two key projects over the next 24 months including strategic arrangements with Wheaton Precious Metals and Hudbay Minerals.

Panoro's Key Projects together with its focused portfolio has the potential to be the backbone of a new copper producing company based in the fastest growing copper producing nation in the world.
